**Announcement regarding
U23 Nations Cup 2021, Murnau, Germany**

Taking into consideration the current situation and development of the SARS-CoV-2 pandemic, particularly in the Bavarian state of Germany, we have come to the sad conclusion that the tournament cannot be held as planned. As much as we all wish to return to normalcy and international minigolf tournaments, it is simply not possible at this stage, mainly due to international travel limitations and local pandemic restrictions.

Therefore the tournament is hereby cancelled.

This decision is only regarding the U23NC planned for 22-23.05.2021.

The Youth World Championships 2021 are currently being planned, together with the local organiser, MGC Murnau, and the German national association DMV, and hopefully we will be able to play safely on 10-14.08.2021.
